A LITTLE ABOUT ME...
AND HOW KELLYQUILTER CAME TO BE.

As an avid quilter, I began to explore the world of quilting in 2010. I was inspired by the creativity and artistry of the craft, and I wanted to share my passion with others. I started by making simple quilts for my family, and soon I was creating quilts for friends and strangers alike. I realized that quilting was more than just a hobby for me; it was a way of life. I wanted to create a space where I could share my knowledge and experience with others, and where I could learn from them as well. This is how Kellyquilter was born. I hope you find this website helpful and inspiring. Thank you for visiting!
